

REMARKS

The Amendment filed March 19, 2007 was deemed to be Non-Compliant because the status identifiers for claims 21 and 24 read "newly presented" instead of --New--, and claims 22 and 24 were missing status identifiers. The Office Action indicated the correction required is only the corrected section of the non-compliant amendment in compliance with 37 CFR 1.121, if any of the boxes 1 to 4 were checked. Since this states the circumstance of the present case, the present amendment provides the listing and text of the pending claims with the corrected (or provides the previously missing) status identifiers for claims 21-24.

Favorable reconsideration of the claims in view of this Amendment and the Amendment and remarks filed March 19, 2007 is respectfully requested.

Respectfully submitted,

/Ernestine C. Bartlett/
